## REPORT ON CONDITION OF FLAGS

---

*To the Selectmen of Prospect:*

Dear Sirs:

In accordance with the School Laws, Chapter 16, Section 52, I am making this report of the condition of the flags and flag poles of the schools of Prospect that you may insert an article in the Warrant to cover the appropriation necessary as this must be raised in addition to all other school money.

School	Pole	Flag
Marsh	None	Perfect
Clark	Perfect	Perfect
Ferry	Perfect	Perfect

Estimated cost for new pole at Marsh inclusive of painting and setting, \$15.00.

Respectfully submitted,

CLARENCE W. DICKEY

# Report of Superintendent of Schools

---

*To the Superintending School Committee and Citizens of the town of Prospect:*

To you I submit my second annual report of the condition of your schools.

All three of the schools have made excellent progress during the past year. We have been most fortunate in having no interruptions in our terms and in having capable teachers to handle them.

The town was favored in being able to secure Miss Downs again at the Ferry and a very good choice was made in placing Miss Curtis at the Clark School. Both teachers have received much aid and instruction from our helping teacher, Mrs Ward, who has exerted herself faithfully to improve the condition of the schools.

Our program of remodeling buildings is in the last stages of completion and with the improvement of the toilets at the Clark and Ferry, all will be finished. It is planned to do this work during the coming Summer.

Prospect is doing good work among its schools and with a little added appropriation would come in for the Equalization Fund.

It would do much to hold up the standard of the schools to make a salary schedule with a minimum and maximum salary. Thus hire teachers at \$15.00 per week the first year and increase that teacher \$1.00 per week each year she taught in town up to the maximum of \$18.00 per week. This would only call for a small additional appropriation.

Respectfully submitted,

C. W. DICKEY,

Supt. of Schools.

Your School Committee recommends the following appropriations:

Common Schools.....	\$2,000 00
Tuition.....	600 00
Text-books.....	25 00
Repairs.....	600 00
